THE AMATUS RECOVERY CENTERS

MISSION

At each of the Amatus Recovery Centers across the country we:

• Treat you as a whole person, not just your diagnosis
• Connect you with local recovery resources
• Provide you with a safe, clean and comfortable facility to recover

GEORGIA ADDICTION TREATMENT CENTER

An Amatus Recovery Center
LEVELS OF CARE

Partial Hospitalization
An intensive full-time treatment plan providing up to 30 hours of therapeutic group sessions per week to foster your recovery.

Intensive Outpatient
This level of care offers therapeutic sessions while allowing you to carry on with your daily routine. This program can be your first step in recovery or a continuation of treatment.

Outpatient
This program provides education, therapy, and support for long-term recovery and can be a useful step after completing more intensive forms of treatment.

THERAPIES
Using multi-disciplinary therapies we create personalized treatment plans including:

- Cognitive Behavioral Therapy
- Daily Group Sessions
- Trauma Focused Therapy
- Family Therapy Sessions
- Expressive Therapy
- Recreational Therapy
- Motivational Interviewing

AMENITIES
Our facility, located just outside of Atlanta includes:

- Wellness & Exercise Areas
- Group Therapy Rooms
- Snacks, Coffee and Tea
- Resource Center

COMMUNITY HOUSING
Our sober-living community residencies during treatment greatly increases your chance of maintaining growth and recovery. Our sober community housing includes:

- Full-service kitchen
- Semi-private bathrooms
- King and double bedrooms
- Spacious quad living area
- Large backyard and pond

Treatment with a Difference

Georgia Addiction Treatment Center in Peachtree City provides premier, evidence-based treatment for substance use and co-occurring mental health disorders. Our philosophy goes far beyond traditional outpatient programs. We want to provide you with the appropriate level of care in a timeframe that works for you.

Our programs are facilitated by a team of certified therapists, addiction counselors, care coordinators and behavioral health technicians. Together we can connect you back to your community, opening up opportunities for you beyond living clean and sober.
